PART 2: INDEMNIFICATION AND HOLD HARMLESS

- A. In providing services under this Contract, the Consultant is an independent contractor and neither the Consultant nor its officers, agents or employees are an employee of the County for any purpose. The Consultant shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits or taxes to, or on behalf of, the Consultant, its employees or others by reason of this Contract. The Consultant shall protect, indemnify and save harmless the County, its officers, agents and employees from and against any and all claims, costs and/or losses whatsoever occurring or resulting from 1) the Consultant's failure to pay any such compensation, wages, benefits or taxes; and 2) the supplying to the Consultant of work, services, materials and/or supplies by Consultant employees or other suppliers in connection with the performance of this Contract.

- B. The Consultant further agrees that it is financially responsible for and shall repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional acts or failure for any reason to comply with the terms of this Contract by the Consultant, its officers, employees, agents and/or representatives. This duty to repay the County shall not be diminished or extinguished by the prior termination of the Contract pursuant to the Duration of Contract, or the Termination section.

- C. The Consultant shall protect, defend, indemnify, and save harmless the County, [and the State of Washington (when any funds for this Contract are provided by the State of Washington)] their officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of or in any way resulting from the negligent acts or omissions of the Consultant, its officers, employees, and/or agents. The Consultant agrees that its obligations under this subparagraph extend to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, the Consultant by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. In the event that County incurs attorney fees and/or costs in the defense of claims, for damages within the scope of this section, such fees and costs shall be recoverable from the Consultant. In addition King County shall be entitled to recover from the Consultant fees, and costs incurred to enforce the provisions of this section.

Claims shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in unfair trade practice.

Nothing contained within this provision shall affect and/or alter the application of any other provision contained within this agreement.

PART 3: INSURANCE

The selected Consultant shall furnish General Liability (Commercial General Liability) in the amount of \$1,000,000 combined single limit; \$2,000,000 aggregate. In addition, with the exceptions of sole proprietorships, evidence of Workers' Compensation and Stop-Gap Employer's Liability shall be \$1,000,000. Further, if automobile travel is required of the contract, the selected consultant shall furnish Automobile Liability coverage in compliance with Washington State Financial Responsibility Laws. Such policy shall endorse King County, and its appointed and elected officials and employees as additional insureds.

Such policy/policies shall endorse King County, and its appointed and elected officials and employees as additional insured.

King County reserves the right to approve deductible/self-insured retention levels and the acceptability of insurers.

PART 4: CORRECTIVE ACTION

If the County determines that a breach of contract has occurred, that is the Consultant has failed to comply with any terms or conditions of this Contract or the Consultant has failed to provide in any manner the work or services agreed to herein, and if the County deems said breach to warrant corrective action, the following sequential procedure will apply:

- A. The County will notify the Consultant in writing of the nature of the breach;
- B. The Consultant shall respond in writing within three (3) working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies. The corrective action plan shall specify the proposed completion date for bringing the Contract into compliance, which date shall not be more than ten (10) days from the date of the Consultant's response; unless the County, at its sole discretion, specifies in writing an extension in the number of days to complete the corrective actions;
- C. The County will notify the Consultant in writing of the County's determination as to the sufficiency of the Consultant's corrective action plan. The determination of sufficiency of the Consultant's corrective plan shall be at the sole discretion of the County;
- D. In the event that the Consultant does not respond within the appropriate time with a corrective action plan, or the Consultant's corrective action plan is determined by the County to be insufficient, the County may commence termination of this Contract in whole or in part pursuant to Section IV.B;
- E. In addition, the County may withhold any payment owed the Consultant or prohibit the Consultant from incurring additional obligations of funds until the County is satisfied that corrective action has been taken or completed; and
- F. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section IV, Termination Clauses, Subsections A, B, C, and D.

PART 5: ASSIGNMENT/SUBCONTRACTING

- A. The Consultant shall not assign or subcontract any portion of this Contract or transfer or assign any claim arising pursuant to this Contract without the written consent of the County. Said consent must be sought in writing by the Consultant not less than fifteen (15) calendar days prior to the date of any proposed assignment.

- B. "Subcontract" shall mean any agreement between the Consultant and a Subcontractor or between Subcontractors that is based on this Contract, provided that the term "subcontract" does not include the purchase of (i) support services not related to the subject matter of this contract, or (ii) supplies.

SECTION V - ADDITIONAL INFORMATION & REQUIREMENTS

A. Domestic Partner Benefits (*Non-Discrimination in Benefits*):

King County's Domestic Partner Benefits (DPB) Ordinance 14823 prohibits the award of contracts valued at \$25,000.00 or more to firms that discriminate in the provision of employee benefits between employees with spouses, and employees with domestic partners. To be eligible for award, Contractors shall comply fully with the ordinance's provisions. Within five (5) days of notification of intent to award, and as a condition of the execution of a contract, the successful bidder/proposer shall provide to King County Procurement & Contract Services Section a completed DPB "Declaration" form (see last page of this document). The DPB Ordinance and Declaration Form are available online at www.metrokc.gov/finance/procurement/forms.asp.

B. Disclosure – Conflict of Interest

King County Code Chapter 3.04 is incorporated by reference as if fully set forth herein and the Consultant agrees to abide by all the conditions of said Chapter. Failure by the Consultant to comply with any requirements of this Chapter shall be a material breach of contract.

1. The Consultant covenants that no officer, employee, or agent of the County who exercises any functions or responsibilities in connection with the planning and implementation of the scope of services funded herein, or any other person who presently exercises any functions or responsibilities in connection with the planning and implementation of the scope of services funded herein shall have any personal financial interest, direct or indirect, in this Contract. The Consultant shall take appropriate steps to assure compliance with this provision.
2. If the Consultant violates the provisions of Section V (1) or does not disclose other interest required to be disclosed pursuant to King County Code Section 3.04.120, as amended, the County will not be liable for payment of services rendered pursuant to this Contract. Violation of this Section shall constitute a substantial breach of this Contract and grounds for termination pursuant to Section IV (B) above as well as any other right or remedy provided in this Contract or law.
3. The King County Board of Ethics maintains a website that provides information regarding King County ethics requirements. To review specific areas of the Code of Ethics that relate to contractors and vendors, follow this path: <http://www.metrokc.gov/ethics/>, and access 1) The Code of Ethics, "Employee Code of Ethics 3.04", and 2) Advice and Guidance "Doing Business with Contractors, Vendors, Clients and Customers". Under "Employee Code of Ethics 3.04", there are two areas of the code that speak specifically to contractors: 3.04.060 B1 (attempting to secure preferential treatment) and 3.04.120 (disclosure of interests by consultants requirement). There are other sections under conflict of interest, 3.04.030 that are directed to employees and govern their relationships with contractors.

C. Recycled/Recyclable Products

It is the policy of King County to use recycled materials to the maximum extent practicable (King County Code Chapter 10.16). Consultants able to supply products containing recycled materials that meet performance requirements are encouraged to offer them in bids and proposals and to use them wherever possible in fulfillment of contracts.

The Consultant shall use recycled paper for the production of all printed and photocopied documents related to the fulfillment of this Contract and shall ensure that, whenever possible, the cover page of each document printed on recycled paper bears an imprint identifying it as recycled paper. If the cost of recycled paper is more than fifteen percent higher than the cost of non-recycled paper, the Consultant may notify the Contract Administrator, who may waive the recycled paper requirement. The Consultant shall use both sides of paper sheets for copying and printing and shall use recycled/recyclable products wherever practical in the fulfillment of this Contract.

D. Proprietary Rights

The parties to this Contract hereby mutually agree that if any patentable or copyrightable material or article should result from the work described herein, all rights accruing from such material or article shall be the sole property of the County. The foregoing shall not apply to existing training materials, consulting aids, check lists and other materials and documents of the Consultant which are modified for use in the performance of this Contract.

E. Labor Harmony Clause

The Contractor shall furnish, and shall require any and all of its subcontractors to furnish, labor that works in harmony with all other elements of labor providing in any way goods or services relating to this Contract. Without limiting the generality of the foregoing, "labor harmony" shall include the provision of labor that will not cause, cause to be threatened, engage in, or give rise to, either directly or indirectly, any disruption, slowdowns, or stoppages to the work being performed pursuant to this Contract, or any violence or harm to any persons or property.

The requirement to provide labor harmony as contained above is a material element of the Contract. Failure by the Contractor, or any of its subcontractors, to comply with this requirement shall be deemed a material breach of the Contract and shall subject the Contractor to all rights and remedies the County may have at law or under the Contract, including, without limitation, the County's right to stop the work and/or terminate the Contract. The Contractor shall be liable for all damages occasioned by a breach of this Labor Harmony Clause.

F. Supported Employment Program

King County encourages the creation of supported employment programs for developmentally and/or severely disabled individuals. The County itself has such a program and is actively seeking to do business with those offerors that share this employment approach. If your firm has such a program, or intends to develop such a program during the life of this contract, please submit documentation supporting this claim with your bid/proposal/qualifications. If you have questions, or need additional information, please contact Ray Jensen, Community & Human Services, Developmental Disabilities Division, (206) 296-5268 or the County's Business Development and Contract Compliance Section at (206) 205-0700.

SECTION VI - MAINTENANCE OF RECORDS/AUDITS

- A. The Consultant shall maintain, and shall require any sub-consultant to maintain, accounts and records, including personnel, property, financial and programmatic records and other such records as may be deemed necessary by the County to ensure proper accounting for all project funds and compliance with this Contract. All such records shall sufficiently and properly reflect all direct and indirect costs of any nature expended and services provided in the performance of this Contract. The Consultant shall make such documents available to the County for inspection, copying, and auditing upon request.
- B. All records referenced in subsection (A) shall be maintained for a period of six (6) years after completion of work or termination hereof unless permission to destroy them is granted by the Office of the Archivist in accordance with RCW Chapter 40.14, or unless a longer retention period is required by law.

- C. The Consultant shall provide access to its facilities, including those of any sub-consultant, to the County, the state and/or federal agencies or officials at all reasonable times in order to monitor and evaluate the services provided under this Contract. The County will give advance notice to the Consultant in the case of fiscal audits to be conducted by the County.
- D. The Consultant agrees to cooperate with the County or its designee in the evaluation of services provided under this Contract and to make available all information reasonably required by any such evaluation process. The results and records of said evaluation shall be maintained and disclosed in accordance with RCW Chapter 42.17.
- E. If the Consultant received a total of \$300,000.00 or more in federal financial assistance during its fiscal year from the County, and is a non-profit organization or institution of higher learning or a hospital affiliated with an institution of higher learning, and is, under this Contract, carrying out or administering a program or portion of a program, it shall have an independent audit conducted of its financial statement and condition, which shall comply with the requirements of GAAS (generally accepted auditing standards), GAO's Standards for Audits of Governmental Organizations, Programs, Activities, and Functions and OMB Circulars A-133 and A-128, as amended and as applicable. Consultants receiving federal funds from more than one County Department or Division shall be responsible for determining if the combined financial assistance is equal to or greater than \$300,000.00.
